

Phototherapy Timer - letter graph paper (mm)

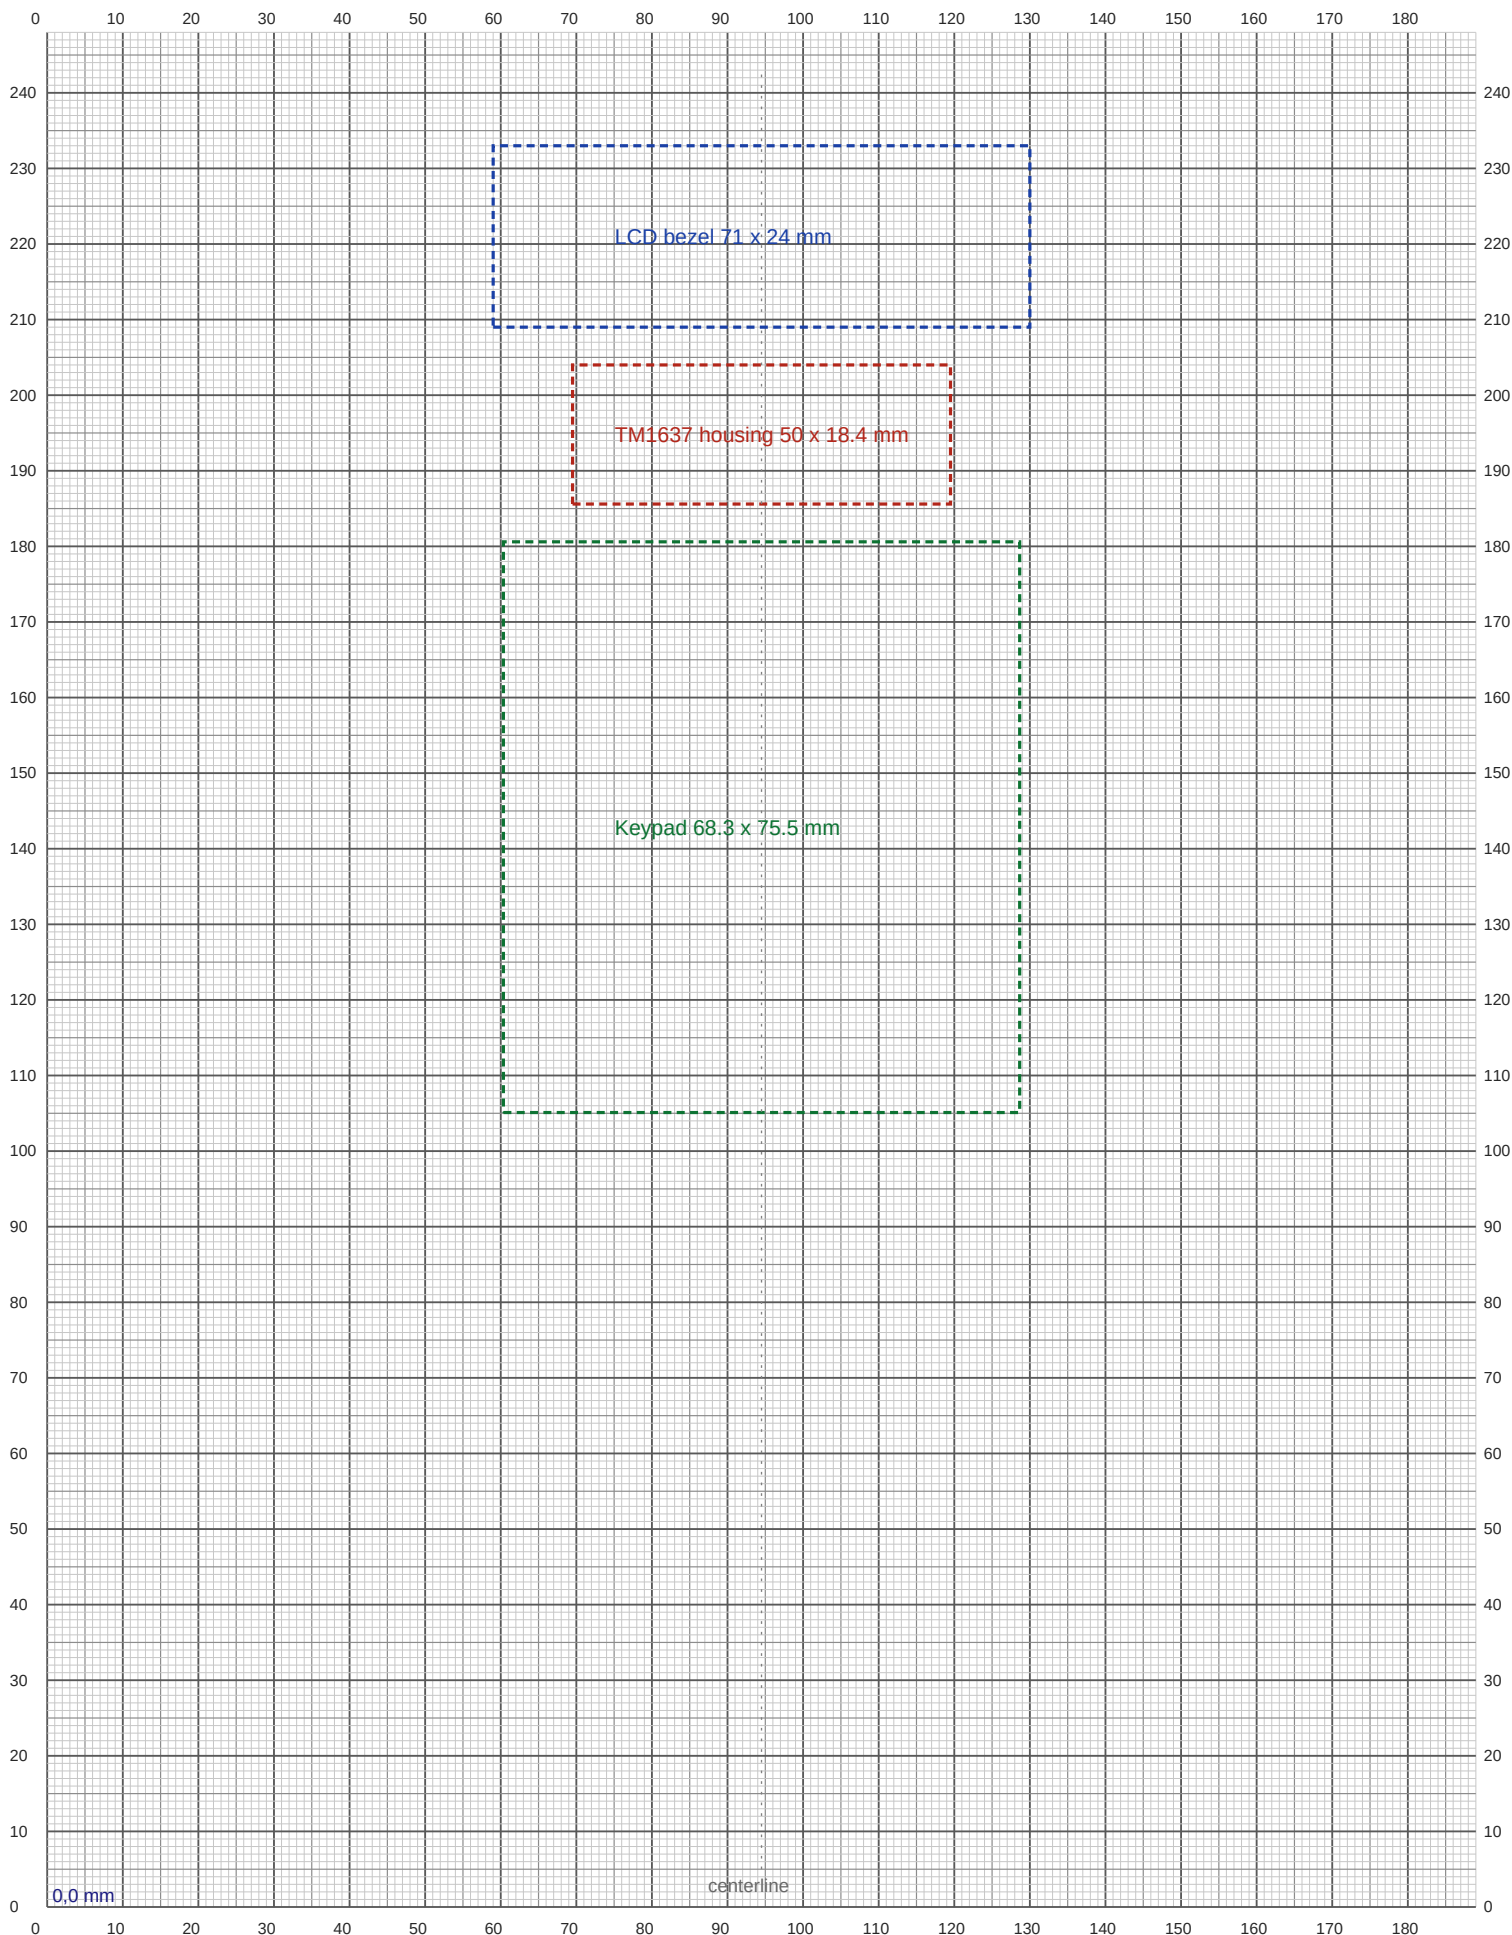

US Letter | 1 mm / 5 mm / 10 mm | grid 189x248 mm | origin bottom-left | PRINT AT 100% (Actual size, no fit-to-page)

Place parts face-up on the grid. Check scale: 100 mm ticks must be exactly 100 mm on a ruler.

Front panel faces - true-size outlines (measured)

Dashed boxes at measured face sizes | LCD / TM1637 / keypad centerline | PRINT AT 100% | overlay real parts to verify scale

5 mm gaps between faces. Overlay real parts on dashed boxes. See docs/front-panel.md.
